### **The Trail:**

The trail will be clearly marked and you can ride it at your own pace as much as you like during the open trail hours. There will be riding opportunities for all from beginner to advanced.

The trail lengths and locations will be announced at each of the rider meetings. The main trail's difficulty level will be moderate. Some of the hill-climbs are tough, and occasionally the trail may be narrow and/or off-camber. Some of the areas are rocky and other areas are normal dirt. There's usually little or no mud, even after a rain. There will be a kid's loop (easy), novice loop (intermediate), and main trail (advanced) sections.

### **Camp Ground Information:**

Camping is \$27.50 per site per night per family up to two vehicles. Sharing of the campsite will entail an additional \$27.50 per living quarters (i.e. tents, trailers and motor homes). Any additional vehicles are \$5.00 each. If you park in a campsite, expect to pay camping. Please stop at the camping registration office when you arrive. If the office is closed when you arrive, please settle up with them first thing the next day. Camping will be permitted in the upper and lower campground.
